

CREATE YOUR OWN MAGAZINE COVER

HERE'S YOUR CHANCE TO MAKE YOUR ONE-OF-A-KIND COVER!

PLAN IT!

Before you get started, here's a few things to think about that's sure to help your design be the best yet:

What type of information can your readers and followers find in your magazine?

Example: TGVG provides information on events and activities in our area. Other ideas could be sports facts, art tips, hunting skills, etc.

Magazine Name: _____

Tagline: _____

A tagline is a helpful phrase to help people know what they can find in your magazine. Example: TGVG's tagline would be "Youth Sports & Activities"

What are your favorite colors?

What kind of images would you use?

Images and graphic elements help draw people to your magazine, so think of what would really capture someone's attention.

Anything else you can think of:

NOW DESIGN IT!

We've provided a template of our cover on the next page that you can use, or use a separate sheet of paper to create your own. Don't forget to create a logo with your name and tagline! Fill in the colors, images and anything else you can think of. Get creative!
